

Dr. Geil received his bachelor's degrees from the University of California in Irvine (UCI). He then moved on to Illinois where he attended Loyola University of Chicago, Stritch School of Medicine where he received his medical degree. Dr. Geil's postgraduate training in diagnostic radiology brought him back to his alma mater in California and was completed at the University of California Irvine Medical Center. His training also included fellowships in Interventional Radiology at UCI as well as Nuclear Medicine, MRI, and General Radiology at the Aberdeen Royal Infirmary in Scotland.

Dr. Geil's professional interests are in neuroradiology and musculoskeletal imaging. Being a part of a team that focuses on providing high quality imaging and service across all modalities combined with timely expert interpretations is Dr. Geil's passion.

Dr. Geil enjoys skiing, mountain biking, and cooking. He is excited to live in a part of the country with fabulous outdoor activities in every season. Dr. Geil is blessed with three grown children and enjoys spending time with them whenever he can.

For more information about Advanced Medical Imaging Consultants' radiologists or services, please contact Andi Dresen, Client Services Manager, at 970-484-4757.

GARY E. GEIL, MD

NEURORADIOLOGY
