

Dr. Jacob Azurdia received his bachelor's degree from Indiana University in Bloomington. Dr. Azurdia continued his education at the University of Vermont College of Medicine in Burlington, where he obtained his medical degree. Dr. Azurdia's postgraduate diagnostic radiology residency took him to Oklahoma City, OK and was completed at Integris Baptist Medical Center. He then moved to Aurora, CO where he completed his training with a fellowship in Musculoskeletal Imaging and Intervention from the University of Colorado.

Dr. Azurdia's professional areas of interest focus on musculoskeletal imaging and intervention. He is excited to serve the communities in Colorado.

When Dr. Azurdia is not working, he enjoys mountain biking, backcountry splitboarding, golf, CrossFit, and music production. Given his love of the outdoors, he is thrilled to finally be somewhere that offers such great outdoor activities.
