

Dr. Nathan Kim received his bachelor's degree from the University of Arizona in Tucson. He completed his doctor of medicine at the University of Arizona College of Medicine in Phoenix. Dr. Kim's postgraduate training took him to the University of Wisconsin Hospital and Clinics in Madison where he completed his diagnostic radiology residency and fellowship training in neuroradiology.

Dr. Kim's professional areas of interest include spine imaging and head/neck imaging.

When Dr. Kim is not working, he likes to explore new restaurants and travel with his wife. He also enjoys watching sports, hiking, and aviation. Both Dr. Kim and his wife are excited to move to Colorado and enjoy the outdoors and mountains.
